

Widen the Circle

MISSION

Connecting diverse people who share a common brokenness, with Jesus

VALUES

Safety - Our church is a safe place where people can “ask, seek, & knock” (Matthew 7:7-8) without fear of judgment.

Authenticity - Our church is absent of pretense where people can be their real selves before God and others.

Diversity - Our church is a community that reflects our larger community and the kingdom of God.

Transformation - Our church is a community where we expect to grow more and more into the likeness of Jesus.

Reconciliation - Our church is a community that takes seriously Jesus’ call to the ministry of reconciliation that only happens through justice, forgiveness, and ferocious love.

MEASURES **Transformed to become more like Jesus**

LOVE: How am I loving my neighbor the way God loves them?

HUMILITY: How am I putting the needs of others above my own?

SHARING: How am I sharing the good news of God’s love for all people?

CONNECT: Do I have meaningful connections with diverse people?
